

Sports Premium for 2015 – 2016

Total funding received = £9575

Objective	Activity	Cost	Impact
To improve the teaching of PE within the school.	Silver Sports Package	£1,250	Provided training for all staff on how to teach REAL PE from the FUNS scheme of work. Margaret Stevens worked closely with us to ensure that the delivery of PE was to a high standard.
To improve the playground facilities for all children	New playground equipment: A frame climbing rope, treadmill, monkey bars and grip rope.	£8858 plus VAT	Creative play worked with the school council to develop an unused are of the playground. This has already impacted on playtimes making them more peaceful and interactive for the children. All year groups can access the equipment and the enjoyment they get from using the new equipment has improved their attitudes towards physical exercise.
To enable children to take part in sports based competitions	Minibus hire	£17.66+£134.86 plus VAT	Children from KS2 have benefited from taking part in events, around the city, over the past year. These events have promoted healthy competition and sportsmanlike behaviour and attitudes.

Total spent = £10260.52
